

Graduate Students

Graduate Programs

For a complete list of all graduate majors, please see the Degrees Offered (<http://catalog.uis.edu/degreesoffered>) page in this catalog.

Other Academic Opportunities

Graduate (Post-Baccalaureate) Certificates, Professional Development Sequences, and Post-Master's Certificates represent courses of study that constitute less than a full graduate degree and provide specialized knowledge and skills for the professional. Admission decisions and advising are provided by the departments that supervise these options. Course prerequisites may be waived if the student can present evidence of advanced career experience. Proficiency examination, transfer, and Prior Learning Assessment may not be used because of the limited number of courses required and the need for course content to logically integrate. Grade requirements that must be met for the graduate certificate to be awarded are specified by each department and are detailed in the information listed.
