

Graduate Certificate in Business Applications of Artificial Intelligence

The Graduate Certificate in Business Applications of Artificial Intelligence equips professionals with essential AI skills tailored for business needs. This certificate is awarded upon completion of the required course work. Students may work on the certificate part-time without being formally enrolled in a degree program or complete it as part of the M.S. in MIS degree.

Course Prerequisites

Students enrolled in courses for the Online Graduate Accelerated Programs (GAP) must be registered and pay all tuition, fees, and assessments by the program's deadline each semester.

Grading Policy

Candidates for the certificate will be expected to complete course requirements with a grade of B (3.0) or better (a grade of B- or lower is not acceptable)
