

Educational Technology Endorsement

The six courses cover the knowledge and skills required for an ISBE Technology Specialist Endorsement which qualifies those who hold it for building and/or district level technology coordinator positions. Passing the ISBE Technology Specialist (223) test is required.

Candidates must take and pass content area in each area to qualify for Illinois entitlement.

The School of Education is a university partner of Illinois Association of School Business Officials (IASBO).

Graduate degree opportunity

Combine the graduate certificate with an additional 12 credit hours of EDL course work to fulfill requirements for a Master of Arts in Education degree.

Grading Policy

Passing at the graduate level is considered a B or higher. A maximum of eight hours of C (2.0) grades is applicable, provided that a minimum GPA of 3.0 is reached at the time of program completion and an approved Student Petition is on file in the Office of Records and Registration. Grades of C- or lower are not accepted.
