

Freshmen Admission

The University of Illinois Springfield seeks to enroll an academically well-qualified, diverse freshman class in which students have pursued rigorous college preparatory curricula while in high school and demonstrated leadership potential in their academic and nonacademic pursuits. The most qualified applicants will be admitted to UIS as space permits. Priority consideration for admission will be given to students whose applications are completed and postmarked by the priority application date (March 15 prior to the fall semester in which the student wishes to enroll). Admissions decisions are made within two weeks typically on a rolling basis. Students receive official notifications via postal service.

Capital Scholars Honors Program

The Capital Scholars Honors Program is a selective program that is open to high school graduates who have demonstrated high academic achievement and a potential for creativity and leadership. For more information, please refer to the Undergraduate Education section of this catalog.

Applications will be evaluated on the following criteria:

College preparatory curricula and academic course work

Students should pursue challenging college preparatory curricula. Grade trends and the rigor of courses completed throughout high school will be considered. Recommended academic course work includes the following:

- Four years of academic English with emphasis on written and oral communication and literature
- Three years of social studies with emphasis on history and government (additional acceptable courses include anthropology, economics, geography, philosophy, political science, psychology, and sociology)
- Three years of college preparatory mathematics, selected from algebra, geometry, advanced algebra, pre-calculus, trigonometry, and calculus
- Three years of laboratory science, selected from biology, chemistry, geology, physical science, astronomy, and physics
- Two years of one foreign language or two years of fine arts, selected from art, music, dance, and theater

Standardized test scores, grade point average (GPA), and class rank

The following credentials will be considered:

- Cumulative Grade Point Average (GPA)
- ACT or SAT scores - Note: ACT/SAT scores are not required for admission for this academic year. UIS will consider ACT or SAT test scores that are posted on an official high school transcript (enclosed with the student's application) or sent directly to UIS from the testing agency. Prior to the start of the semester, student must have official scores sent from the testing center. To have

official scores reported to UIS from ACT, use UIS' ACT institution code of 1137; for SAT, the code is 0834.

- Class rank (if applicable)

Transcripts

UIS requires all applicants to submit official, sealed high school transcripts from every high school attended. Official, sealed college transcripts must be submitted for any course work attempted at any college or university.

Personal Statement

Applicants may be asked to provide written evidence of their ability to perform at the college level by submitting a personal and academic statement. This statement should address any circumstances (positive or negative) that may have affected the student's high school experience, including those experiences that are not apparent from academic records or standardized test scores. The personal statement should be viewed as an applicant's opportunity to speak on his or her own behalf. The academic portion should discuss long term goals, intended major, or academic areas of interest. Generally, the statement should be approximately 500 to 750 words and should reflect the student's best work – structure, accuracy, and overall quality will be considered.
