

Psychology Minor

The entrance prerequisite course work for the Psychology minor is the same as for the major (PSY 201 or equivalent with a grade of C or better). To earn a minor in Psychology, students must complete a minimum of 16 semester hours of upper-division psychology course work at least 12 of which must be upper-division course work taken at UIS.

Requirements

Required course ¹

PSY 302	Research Methods In Psychology	4
PSY Courses (Upper Division) ^{1,2,3}		12
Total Hours		16

¹ Transfer upper division PSY courses with a grade of C or better (grades of C- or lower will not be accepted) may be accepted to fulfill up to 4 hours towards the required 16 hours.

² 12 hours may be selected from any upper-division PSY courses.

³ Only one course taken to complete the minor can be crossed-listed with other departments.
