

Individualized Concentration

Students who want to tailor course selections for personal interest, or to meet requirements for admission to a specific institution or profession, should consider the Individualized Concentration. It is recommended that students interested in the Individualized Concentration consult with their academic advisor to discuss course planning and goals. Students admitted into the online Psychology B.A. program are required to complete the Individualized Concentration.

Foundation Course Requirement

PSY 101 Principles of Psychology

This is a foundation course for the psychology major and should be completed prior to taking other psychology courses. An equivalent transfer course with a grade of C or better may be accepted to fulfill this requirement. Grades of C- or lower will not be accepted.
